Inflatable Play Equipment

Policies for use of Inflatable Play Equipment in City of Hutchinson

Inflatables or Bounce Houses are permitted in certain parks and public ground by permission of the City of Hutchinson Park/Facilities staff only. All requests for use of inflatable play equipment or bounces houses can be made by contacting the Park/Facilities office at 620-694-1905.

Rules:

- All requests must have prior authorization by City of Hutchinson park staff and detailed information is required. (where, when, what kind of equipment will be used, name of professional installer that will be used etc.)
- **No water related** Inflatables or play equipment are allowed at any parks or facilities whatsoever.
- Installation and removal of said Inflatable play equipment and/or bounce houses shall be completed by **licensed professionals only**.
- Professional installers will be required to provide a copy of a current insurance coverage form.
- **No other personal or private play equipment** shall be allowed at City of Hutchinson parks, facilities and public lands.

All authorizations by Park Staff will be at the discretion of the Parks/Facilities Director or his/her designee. All decisions made by Park Staff are **final**.
