

City of Hutchinson
Hobart – Detter Concession Stand Design Services
Addendum No. 1

October 1, 2020

TO ALL PROSPECTIVE BIDDERS:

The Bid Documents for Bid 20-82 are hereby amended in the following particulars only; all other conditions remain unchanged. This addendum shall be considered a binding part of the original Bid Documents.

Original:

~~2.1. Project: The design, rendering, and specifications including materials and construction drawings for a pre-engineered education building, site plan for playground and splash river, and open-air pavilion as generally described in this RFQ~~

Amended

2.1 Project: The Design, rendering and specifications including materials and construction drawings for new concession stand located near at Hobart-Detter field.

Clarification – Patio Area

The patio is defined as the area surrounding the new building and should be designed to compliment the new building. The total available square feet for the new building and patio is approximately 6,500.

Clarification – Fee schedule

Fees should be broken down into the following items:

- Design services fee
- Construction services fee
- Survey and geo-technical fee
- Total fee
